GEELONG LUTHERAN COLLEGE NEWSLETTER
Term 1  Week 1  4th February 2016

FROM THE HEAD OF SCHOOL

Welcome back to the start of a new school year. It was delightful to see all the faces, hear the excited chatter and be part of this renewed hive of activity.

I would like to extend a special welcome to all new families, students and staff joining our College this year. We commenced the year with 497 students (PS 248, MS 145, SS 104), including two students on a term program from Mesei High School, and six new staff.

Staff joining our College this year are Tricia Hedt (Primary School Teacher); Trudi Abikhair, Ross Murray, Renae Pirrotnia, Breeanna Redden and Dale Thomson (Middle/Senior School Teachers); and Paul Sifonios (Administration). We also welcomed back Anna Eickhoff, Tara Tink and Sophie Garrard from maternity leave.

The installation of our new staff and student leaders was a particular highlight of the week. Thank you to the parents who joined us for these services. Your support of our students and our programs is appreciated.

Last year our second Year 12 class consisting of 9 VCE and 3 VCAL students graduated from GLC. The average study score for our VCE classes was 29. Our students are currently taking up university places, training options and employment. In time, further details of their post-school destination will be advised.

We are no longer a new school adding classes and programs year-by-year. Instead, this year be will a year of consolidation, refinement and enhancement. Some of our strategic emphases include:

- Enhancing our distinct identity as a P-12 Lutheran College
- Investigating ways of lengthening the school day
- Developing a Teaching and Learning Charter to underpin our educational practices
- Growing our school culture in each of the sub-schools in a way that reflects our values of “Wisdom, Honour and Purpose” and the particular needs of each age group.

Thank you to our parents for their patience in the carpark area. Please take care when travelling on Burvilles Road. We have already spoken with the contractor regarding the earthmoving trucks travelling on Burvilles Road, together with The City of Greater Geelong and Vic Roads regarding the intersection with the Surf Coast highway.

Looking ahead to next week, I commend to parents the Primary School Profile meetings, the Parent Information Evenings (Years 10 and 11), and the Parents and Friends “Picnic on the Green”.

Finally, it is my prayer that members of our College community have a blessed year.

Devotional Thought - Matthew 4: 18-22

At the start of summer I planted a handful of sunflower seeds in my garden. In mid-January they flowered, and my family enjoyed watching them follow the sun through the day from our dining room. Each evening, when the sun started to set, the sunflowers turned back to face east, ready to face the morning sunrise. The sunflowers followed the source of energy and power for a simple reason; to grow. Because of their bright yellow colour, sunflowers are symbols of happiness and strength and a love for the sun. Like sunflowers, we follow things. Over summer we might have followed cricket or tennis, a TV show, or other people on social media such as celebrities. While following these things are good, they’re not a source of power or strength.

In this week’s reading, Jesus starts his public ministry by calling four fishermen to follow him. Simon Peter, Andrew, James and John didn’t really know what Jesus would do. But they recognised his authority and power and goodness, even if they didn’t really know him. The important thing was that they followed him to see what came next. They didn’t sit in their fishing boats thinking about it.

God has the same message for us: “Follow me”.

A sunflower doesn’t know everything about the sun, we don’t need to know everything about Jesus before we start to follow him. But in Jesus we can sense God’s goodness and love, and if we are willing to respond to his invitation – no matter how big or little our belief in him is – he can nurture us and help us grow in his presence.

Sometimes we say or do hurtful things. This darkness in us shows us our need for the light of God to transform our hearts and minds. When we’re following the wrong things, we need to turn back to the light. Jesus once said “I am the light of the world; whoever follows me will never walk in darkness, but have the light of life” (John 8:12). Just like sunshine, God pours his love on all people and all creation. He doesn’t show favouritism, and no-one is too bad or too broken or too sick to be able to be loved by God.

When we turn to Jesus our lives shines brighter for the world to see, we are strengthened by God. We follow God by reading his word, communicating with him through prayer and being guided by the Holy Spirit. So, turn to the Son and open your heart to his light. Seek Jesus as the first thing in the morning, and be nourished by his power throughout the day. Let his warmth be the final thing you feel each night before you sleep.

Jonny Hedt – Pastoral Care

Prayer Group

The GLC Prayer Group is a group of parents who gather regularly to bring the College and College community before God in prayer. All parents are welcome. In Term 1 the group will meet in the Pastoral Care Office opposite the Student Service counter from 2.20pm until the end of school at 3.05pm on the following Mondays: February 8, February 22, March 7 and March 21.

If you would like more information, please contact Pastoral Care Coordinator Jonny Hedt at Jonathan.Hedt@glc.vic.edu.au

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities.

The CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities. **If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF.** The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities and credited to fee accounts.

**HOW TO APPLY:** Contact the College Office to obtain a CSEF application form or download from [www.education.vic.gov.au/csef](http://www.education.vic.gov.au/csef)

Parents are encouraged to apply before the end of Term 1.

## Reminders from the Office

- **Parent Information Form, Student Information Form, Excursions Permission Form and *ICT Digital Citizenship Form (*required by all students new to GLC this year)**
  These forms were mailed last week to all families. Thank you to the many families who have returned these forms. We would like to receive them as soon as possible and no later than Friday 12th February. Please note that students will be unable to participate in any excursions or off-site sporting events until the Excursion Permission form is returned.

- **Immunisation Cards - Year 7 Students**
  Immunisation cards for all Year 7 students were distributed on Orientation Day last year. Please ensure the card is returned to the College. Thank you to those families who have returned their cards. **All cards MUST be returned regardless of whether your child is participating.**

- **Asthma Action Plans 2016**
  Families who have indicated that their child suffers Asthma have been sent a blank Action Plan for 2016. Please ensure they are returned to the Office regardless of whether there are any changes. Thank you to the families who have returned their plans.

## GLC Fee Invoices - Sibling Discount

An error was made on Term 1 fee statements with regards to the Sibling Discount. In a letter you received at the end of last year the new structure for Sibling Discount is 10% for the 2<sup>nd</sup> child, 25% for the third child and 50% for the fourth and subsequent child. We have now adjusted your account with the correct amounts. We apologize for this error.

Geelong Lutheran College

VOLUNTEERING AT OUR SCHOOLS
For all parents wishing to volunteer at GLC, St John’s School or Kindergarten to help in the classroom, on camps or with other student activities this year, parents must bring the following to the front office:
1) a current Working with Children Check and;
2) a certificate of completion of one-hour Valuing Safe Community training session on-line within the past three years. The school keeps a record of face-to-face training so a certificate is unnecessary if you have completed training in a group session.

As schools of the Lutheran Church of Australia (LCA), College staff and volunteers are obliged to meet the requirements of the LCA Safe Place Policy. Valuing Safe Communities (VSC) is a program to comply with this expectation. This training is valid for three years. If your three years has expired or you are new to GLC, St John’s School and Kindergarten, you will be required to complete this session to enable you to assist in events organised by the any of the schools.

ON-LINE TRAINING INSTRUCTIONS:
    Go to http://vscvolandrs.lutheran.edu.au/
    Follow the instructions. You will need to create an account.
Use the Enrolment Key: VSC3_Volunt33r to gain access to the training.
On-line training takes about 1 hour. Certificates of completion will be generated at the end of the session.
Volunteers who complete this online training may receive extra information specific to GLC and/or St John’s.

FACE-TO-FACE TRAINING
If you are interested in doing a one-hour face-to-face VSC Session at GLC (if you have time, it’s much more engaging to do as a group and you meet other school parents), please express your interest to Jonathan.Hedt@glc.vic.edu.au and state your preference for an evening or day-time session.

Jonny Hedt, Pastoral Care
Cyber Safety

Student Presentations
In Weeks 3 and Week 4 of this term, all students from Years 3 to 9 will attend Cyber Safety Presentations by Victoria Police’s Youth Resource Officer Robbie Noggler. The various presentations will provide age-appropriate tips on how students can protect themselves on line from bullying, stalking, predatory behaviour and other criminal activity.

The presentations are scheduled for the following days:
- **Thursday, February 18**
  - Years 3 and 4, 11.40pm to 12.40pm
  - Years 5 and 6, 1.35pm to 2.35pm
- **Thursday, February 25**
  - Years 7 to 9, 1.50pm-3.05pm

Some of the key messages to students from previous presentations have been:
- Informing students how to change their “frequent location” settings on their phones. If location settings are turned on, their phone is tracking their movements wherever they are going. It will also add location metadata to all their photos, which, if posted on line, will give anyone with basic software, access to where and when the photo was taken – often their home address.
- Only add the people that you would invite to dinner at your house to your friends list.
- Warning bells should sound when unidentified people use grooming language such as: Let’s go private, You’re so beautiful, What’s your phone number? Students should be aware of this language and notify their parents.
- Nothing ever disappears from cyberspace; your online behaviour and comments become a digital tattoo or resume visible to potential employers, immigration officials in other countries, potential friends, and eventually your own kids.

At GLC we strongly encourage parents to develop appropriate on-line boundaries for their children. If you would like more information and tips, please visit the government Cyber Safety website at [www.cybersafetyhelp.gov.au](http://www.cybersafetyhelp.gov.au) and attend the parent session.

Parent Information Session
Do your children have access to the internet? Do you know how to keep them safe online? Get the latest information, tips and strategies about Cyber Safety at a special parent information session on **Thursday, February 25th** at GLC.

The world has changed significantly since the widespread adoption of smartphones began in 2008. Now, 85 percent of 4-year olds play games on a screen. 96 percent of 11 to 15 years olds are playing video games. Worldwide, people spend 3 billion hours a week gaming. All this online time poses significant challenges for children of all ages and their parents.

We understand that parents may have questions and conundrums in dealing with their children’s online behaviour. Accordingly, we are inviting all parents or carers of St John’s and GLC students, as well as other friends or neighbours who may be interested, to attend an information session with Geelong Youth Resource Officer Robbie Noggler. Parents will hear real life examples of cybercrime, stalking, and predatory behaviour and other online criminal activity, gain an understanding of the law, learn to recognise warning signs, and find out how they can take simple steps to protect their children and themselves online. This will help parents who are struggling with these issues or who want to set up appropriate boundaries for their children around internet or social media usage and is suitable for parents with children of any age, from Prep to Year 12. Leading Senior Constable Noggler works with schools, students and parents throughout the region on issues of cybercrime, cyber bullying and predatory behaviour and prefers educating students and parents about the dangers and giving them skills rather than applying the law after inappropriate behaviour.

The Cyber Safety Parent Information Session will run on **Thursday, February 25** in GLC’s Multipurpose Hall from 7pm to 8.30pm. The session is free to attend and, coffee and biscuits will be provided. All GLC and St John’s parents and friends are welcome. Please express your interest to [Jonathan.Hedt@glc.vic.edu.au](mailto:Jonathan.Hedt@glc.vic.edu.au) for catering purposes.
From the Primary School
Opening Service and Installation Service
What a wonderful way to start the new school year with worship lead by Mr Hedt and then the Installation of new staff (Mrs Katrina Locke and Mrs Trish Hedt) and student leaders (Jessie, Zac, Olivia, Elizabeth, Diesel, James, Jack, Tiffany, Tahra, Hayley and Tanner). Thank you to the P and F for providing morning tea for the many parents who attended the service.

Parent Representatives
Our College is made up of students, parents, staff and other interested people such as grandparents. We value the contribution of all groups and seek to assist our community to feel connected and supported. As our College community continues to grow we want to make sure that our community spirit remains intact. The Primary School is asking parents to consider themselves as a Parent Representative for a Level within the Primary School. We are seeking one or two Parent Representatives per Level – Preps, Year 1/2, Year 3/4 and Year 5/6. Position Descriptions and Nomination forms will be available at the School Office. Nominations need to be received by Monday 15th February.

Jane Hollett
Primary School Coordinator
**MIDDLE SCHOOL MATTERS**

The Middle School students have made a fine start to 2016. They spent much of Monday getting to know their new classmates and Homegroup teachers in an extended Homegroup session.

The students attended Middle School Chapel where it was wonderful to witness the installation of the newly appointed MS Teachers as well as the MS College, House and Arts Captains at the Opening Service.

We have close to 150 students in the Middle School this year with 3 classes of Year 7 students for the first time in our history. The students have been attending their time tabled classes where they have been introduced to new teachers and in some instances new subjects. We are looking forward to engaging, challenging and supporting our students to reach their full potential in all areas of development this year.

**YEAR 7/10 PEER SUPPORT PROGRAM**

The Year 7 students were introduced to their Year 10 Peer Support Leaders early this week. They helped them to practise opening and closing their combination padlock. Once the students were confident the Year 10 Leaders assisted the Year 7 students to unpack their bag and give them tips on organising their lockers. Each fortnight the Peer Support program will run for one lesson. The Year 10 students will organise a range of activities with the aim of helping the Year 7 students become a cohesive group, build positive relationships with Senior School students and mentor them throughout the year. The Program is characterised by a lot of energy, enthusiasm, laughter and fun!

**YEAR 7 CAMP**

The Year 7 students will be participating in their Orientation Camp attending Angahook Holiday Camp in Airey’s Inlet from March 2-4. The students will be working together to accomplish team challenges and supporting each other in individual outdoor initiatives. We hope all students enjoy this experience and return to GLC having made many new friends. Please return the Camp Permission and Medical Consent forms to Student Services by February 5th.

Meet Your 7 Homegroup Teachers.

**ALL FAMILIES WELCOME**
From the Senior School
Welcome back to a new year! As we enter 2016, we do so with a growth in numbers in the Senior School from 73 to 103, as a second stream of students in Year 10 join us.

VCE and VCAL continue as the two pathways on offer to our Year 11 & 12 students. VCE subjects on offer in 2016 are: English, Maths Methods, Further Mathematics, Chemistry, Systems Engineering, Psychology, Physical Education, Information Technology, German, Outdoor and Environmental Studies, Biology, Physics, History, Food Technology, Systems Engineering, Health and Human Development, Environmental Science, Studio Arts & Media, Drama.

We have 32 students undertaking a range of VET courses. Students are attending these courses at 5 different institutions: Gordon East, Gordon City, Oxygen College, Belmont High School and Geelong High School. It’s a busy day for our VET students on Wednesdays as they finish classes early to board buses and head off to their courses, but certainly a great opportunity for added depth and experience in their studies.

START OF THE YEAR:
The first day of the school year was an alternative program for our Senior School students. Students spent the first lesson with their year levels. After some opportunity to connect with their peers after the holidays, they discussed expectations of the year, reflected on their schooling last year and spent some time thinking about the year ahead. Our Opening Service was held in the morning where our new staff, as well as our student leaders for 2016, were installed into their roles.

Our student leaders are:

From the Senior School cont.

Students also spent time in their Homegroup classes. In Senior School, the Homegroups are vertical groupings of Years 10-12 students based on house. During this time, students sorted lockers, timetables and completed a lot of the house-keeping tasks in readiness for the year. A short ‘Speedy intros’ activity with the Years 8-12 was held where both the Middle and Senior school students got to know each other. As we grow, it is very important to us as a College that we maintain a culture where students know many students across year levels and interact readily with each other. Students then hit the books in Period 4 with their first lesson for the year.

UPCOMING EVENTS - INFORMATION EVENINGS:

• Tuesday 9th February, 7.00-8.00pm
Starting Year 11 for both VCE and VCAL students – Multipurpose Hall
Year 11 serves as a significant jump in academic requirements from Year 10 and it is important that students attend this with at least one of their parents. This Information Evening will cover the requirements and structure of both VCE and VCAL programs, assessment, reporting, study scores, special provision (circumstances requiring consideration in programming) and ATARs. English curriculum requirements will also be discussed at length by our VCE English teacher, Mrs Joan Dunstan. VCAL program students will go with Mr Daniel Emmerson after the general introduction, to further discuss their program.

• Thursday 11th February, 7.00-8.30pm
Starting School Information Evening (Year 10 students): Multipurpose Hall
A great deal of information is provided on this evening and is it imperative that students attend with at least one of their parents. The evening covers:
  - Senior School policies and procedures, which differ somewhat from Middle School
  - Work Experience program

Letters were sent out to the parents via e-mail for each of these information evenings.

YEAR 10 CAREERS INTENSIVE

On Thursday 18th February, our Year 10s will be involved in a half day Career Intensive. This day centres on exploring the nature of Career Development, helping students determine their areas of career interest and preparing students for Work Experience. Students will undertake Work Experience from Monday 6th to Friday 10th June. Students were given a number of tasks that they needed to complete at the end of the Career Intensive last year that will be built upon on this session.

As staff members, we are all looking forward to what 2016 has in store for all of our students and the College as a whole!

From The Music Desk ...

TUESDAY, FEBRUARY 9th, 8am Rehearsal in G1

The Performance Choir’s first rehearsal for 2016 will be in G1 starting at 8am. Whilst we are considering a name change, all existing members are welcome back. This group is also keen to invite new members to come along — there’s no audition process and both girls and boys are invited. Whilst no previous experience is required, it would be helpful if you were also an instrumentalist. Singing is a great way to make new friends across different year levels, develop vocal skill with correct technique (traditional/modern), plus experience the enjoyment of performing in a group.

Students will learn music aurally and by reading in rehearsals, plus singing in parts. Musical discipline is an important aspect of being involved in this group, and can be a great asset in other general learning. There is no expectation of vocal standard in the choir, it is more important that the students enjoy singing a range of styles and begin to develop their individual vocal technique. In the past, the Performance Choir has performed for many occasions over the College year, including Eisteddfod work, attending festivals/workshops, and participating in community events.

Should you wish to join, either just turn up to the rehearsal, or see myself beforehand. If you have any further queries about this ensemble or any other music-oriented enquiry, please make contact with Ms Helmer via the College. Looking forward to seeing you all again bright and early this coming Tuesday.

**Welcome back!**

We hope you have had a fantastic summer holiday and are looking forward to the exciting opportunities that 2016 will bring. We are looking forward to seeing lots of familiar faces at After School Care and to welcoming lots of new faces as well. We had so much fun over the summer holidays, I don’t even know where to start! Come in and see our jammed-packed photo album filled with all our adventures and creations!

**Existing Families**

Don’t forget to manage your 2016 bookings. Last year’s bookings do not roll over so log on to the parent portal NOW to secure your bookings for 2016. You can book for the entire term or year or even book specific dates.

**New Families**

Enrol online – allow 24 hours

Enrolling is quick and easy! Simply set up your own account online via the Parent Portal. Please note it is government regulation that all children must be enrolled BEFORE attending an Extend service.

For information on operating hours and fees for your school, visit your After School Care venue or school website.

**Enrol now, pay later**

The annual enrolment fee per family of $20 is NOT payable until you first use the service. So why not enrol now so you can access the service later? It doesn’t matter if you don’t end up using the service, because you won’t be charged.

**Next week’s activities:**

Monday 8 February: Kite Making & Let’s Go Fly a Kite
Tuesday 9 February: Lunchbox Treats & Dodgeball
Wednesday 10 February: Cracked Art & Ultimate Frisbee

Thursday 11 February: Balloon Blop Painting & Buddy Bootcamp
Friday 12 February: Valentine’s Day Craft & Frozen Dino Eggs

Watch this space throughout the term for regular updates from our Extend team!

**EASTER CAMP**

The Lutheran Youth of Victoria runs an annual Easter Camp for 16 to 30 year olds. The camp runs Maundy Thursday night to Easter Monday (March 24-28) at the Araluen Campsite in Anglesea and brings together youth from across Victoria and interstate. It’s a chance to explore the Easter story in new ways, and have a lot of fun with other youth of the same age. This year’s theme is “The Difference”. Please visit [www.eastercamp.com.au](http://www.eastercamp.com.au) for more information and registration. If your child is interested in a youth camp but is too young for Easter Camp, the LYV also runs Christian Life Week camps in the July and September school holidays for 13-18 year olds. More details to follow.
