FROM THE HEAD OF SCHOOL

Welcome back to the new school year. It was delightful to see all the new faces on Monday. I would like to extend a special welcome to all families and staff members joining our College, trusting that our relationship will be mutually enriching and rewarding. We commenced this year with 439 students on our roll (PS – 222, MS – 132, SS – 85). These numbers include five Japanese students on a Term Program from Meisei High School.

The installation of our new staff and student leaders was a particular highlight of the week. Quite appropriately, we prayed for God’s blessing on our school year, our College community, the work of our teachers and our student leaders. Thank you to the many parents and friends of the College who were part of these events.

Last year we were quite ambitious and achieved a great deal. This year will be year of consolidation. The key focus for each of the subschools are as follows:

**Primary School** – The literacy focus will be extended to include writing; Consolidation of the Stephanie Alexander Kitchen Garden Project, concert, debating, and interschool sport

**Middle School** – Further work bridging the Primary to Secondary transition with a focus on new generation learning spaces and associated pedagogy, as well as equipping Year 9 students for Senior School; Enhancing the Pastoral Care and Rite Journey programs introduced last year; Further developing our Sustainability programs.

**Senior School** – Consolidating our VCE and VCAL programs and partnerships with other schools; Building on our VCE culture focusing on students’ work habits; Developing our House culture to further engage students and their affiliation with each other and our College.

On a personal note I will be taking long service leave for Term 2 of this year spending time in Poland, Germany and Brisbane. My replacement will be Mr Gavan Cramer who was previously Principal at Faith Lutheran College.

As you will be aware, last year was a milestone for our College with the graduation of our first Year 12 class of eight VCE and two VCAL students. I am delighted to share with you some of the results from these students. Our College Dux for 2014 is Chantelle and our VCAL High Achiever is Ethan. We are very pleased with the results from this group. The average study score for our VCE students was 31 with three scores above 40 [Josh – Software Development (48), Pierre – Software Development (42), Chantelle – Drama (43)]. All of our students received first round offers from universities with only one student not receiving their first choice. Well done to our students, and in particular thank you to Mrs Tattersall and our teaching staff.

Looking ahead to next week, I commend to our parents the Information Nights in the Middle and Senior Schools, together with the Primary School profile meetings.

Finally, it is my prayer that members of our College community have a blessed year.

**Barry Krueger**
**Head of School**
**News from the Parents & Friends Group**

The first meeting of the P & F Group for this year is **Tuesday 10th February** at 7.00pm in the Admin Building Staff room. All welcome. Don’t forget to join us on our Facebook page too.

---

**GLC Canteen for PRIMARY SCHOOL ONLY**

Geelong Lutheran College has contracted “Offshore Café and Catering” to supply us with an online canteen for delivery each **Wednesday**. All food items are within healthy eating guidelines and include a variety of food options.

A menu showing a range of choices can be found at [http://offshorecafe.com.au/](http://offshorecafe.com.au/), please click on the Geelong Lutheran College tab to order. Ordering and payment MUST be done in advance; the cut off time is 8pm on the evening prior to lunch order day to ensure delivery at 12.40pm the next day. Please clearly indicate your child’s name and class.

**ORDERING: Online ordering is the preferred method.** If you are unable to do this please place the correct money in a paper lunch bag and leave bag at the school office before 9.30am on Friday. Personal re-usable lunch bags can be used (please make sure it is named)

**All enquiries are to be directed to Offshore Café on 5263 3644**
DEVOTIONAL THOUGHTS: Matthew 2.1-12
As the school year begins, this story of the wise men visiting Jesus brings three things to mind – three different ways in which we can imitate the wise men in the year to come.

First, the wise men actually look for God. They use their intellects to be ready for God and open to God. The star was visible to others, and yet not all were open to seeing God’s star or being attentive to Him. We, too, can be attentive to God, and be ready for Him.

Second, the wise men act on God’s call. They don’t block out the voice of conscience, even when God calls them to journey far from home, amid a lot of danger. So we do well to not only hear the Gospel, but let it play out in our actions and lives.

Third, when the wise men reach Jesus, they offer Him their treasures. They could have offered their leftovers, as we sometimes do God. But we can be inspired by their example of giving their best to God. Ultimately when we live like this we’re not just imitating the wise men. God Himself is the one who looks out for you. When you are lost, when you stray, He looks for you, and finds you and then He acts. Most definitively, He acted by coming down from heaven, even amid danger, and seeking you out.

Finally, we rejoice in our school and churches that God then gave of His best. He gave us Jesus Christ Himself, whose cross is proudly displayed everywhere that Christians meet. We give thanks again this year that because of Christ Jesus, we too can look for God, act in love, and give God our treasures.

Pastor Tom Pietsch
St Paul’s Lutheran Church

DATES FOR YOUR DIARY

February
- Monday 2nd Term 1 commences (to Friday 27th March)
- Tuesday 10th Year 11 Parent Information Night 7pm
- Wednesday 11th Primary School Profile Meetings 3.30pm to 8.00pm
- Thursday 12th Year 10 Parent Information Night 7pm
- Monday 16th Valuing Safe Communities Training 2.30pm
- Thurs 19th - Fri 20th Year 12 Melbourne University Experience
- Wed 25th - Fri 27th Year 7 Camp

March
- Friday 27th Term 1 ends

Term Dates 2015

April
- Tuesday 14th Term 2 commences (to Friday 26th June)
- Friday 17th Regional Conference for all staff (no school for students)
- Friday 5th June Report Writing Day (no school for students) NOTE change of date

July
- Monday 13th Term 3 commences (to Friday 18th September)

October
- Monday 5th Term 4 commences (to Wednesday 9th December)

College Prayer Group

GLC Prayer Group is a group of parents who gather regularly to bring the College and College community before God in prayer. All parents are welcome.

In Term 1 the group will meet in the Pastoral Care Office opposite the Student Services Counter at 2.20pm on the following Mondays: **February 9, February 23, March 16**. If you would like more information, or would like to be involved but the time does not suit, please contact the Pastoral Care Coordinator Jonny Hedt at Jonathan.Hedt@glc.vic.edu.au
VOUNTEERING AT SCHOOLS
This is a note for all parents wishing to volunteer at GLC, to help in the classroom, on camps or with other student activities this year.
In order to volunteer, parents must meet two requirements:
   1) have a current Working with Children Check and
   2) have completed a one-hour Valuing Safe Community training session within the past three years.

As schools of the Lutheran Church of Australia (LCA), school staff and volunteers are obliged to meet the requirements of the LCA Safe Place Policy. Valuing Safe Communities (VSC) is a school-specific program to comply with this expectation. This training is valid for three years. If your three years has expired or you are new to GLC, you will be required to complete this session to enable you to assist in events organised by the school.

GLC is running the following sessions in the coming weeks. You only need to complete ONE of these sessions.

Valuing Safe communities Volunteer sessions
Venue: Geelong Lutheran College Monday February 16 from 2pm-3pm OR Thursday, February 19th  9.30am-10.30am. RSVP office@glc.vic.edu.au

If you want to help but are unable to make any of these sessions, please register and we will organise an evening session.
Jonny Hedt, Pastoral Care

Communication
Communication is important to us since schooling is a partnership between home and school. You are welcome to direct your enquiries toward a staff member who will be able to assist you.
From time-to-time the action of the College or its failure to act may be seen as inappropriate or unfair. We value our relationship with our parent body and will address concerns that are raised with us. In the first instance, parental concerns should be directed to the relevant staff member. If these concerns are not addressed in either a timely or fair manner, then contact should be made with the relevant Coordinator or the Head of School. As a general rule, issues brought to the direct attention of the Head of School will be referred back to the staff member so that resolution can be sought at that level. The following table provides a guide of whom to contact:

<table>
<thead>
<tr>
<th>General concerns about your child</th>

**Arrival at School and Car Parking**

Parents are reminded that students should not be arriving at school before 8:30am and that they may not arrive before 8:20am when there is no supervision. Similarly, it is expected that students depart the College before 3:30pm unless they are involved in a supervised activity. Again, the issue relates to our duty of care to students.

Please heed the following routines to ensure safety in the car parking area:

- Use the carpark whenever possible for dropping off and collecting students. Burville’s Road is not paved for carparking.
- If you do have to park on Burvilles’ Road, please enter the College grounds through the pedestrian gate. (Busses and cars enter and leave the College grounds through the other gates)
- Enter the carpark via the second gate and exit through Gate 1, which is closest to the SurfCoast highway.
- The bus zone (the third and fourth gates) is reserved for buses. Please do not endanger your child by allowing them to access the College through these entrances.
- Park your vehicle in the carparking area if you need to go to the office or if your child requires additional organisational time.
- Please consider other motorists and proceed to the end bay in the “kiss and drop” zone.

Afternoons tend to be the busiest time in the carpark. Consider picking your child up in the time between 3:05 and 3:30pm – not every student needs to be picked up at 3:05pm.

**Barry Krueger**

---

**College Uniform**

Our students have made a wonderful start to this year across all three subschools. It has been a smooth transition for most into 2015, classes have been settled and students eager to learn. In the main, our students have been well-presented, however, I would like to address a few points. In all of this I am seeking the support of our parents.

- **Fitbits** – Watches are permissible under our uniform policy and Fitbits that have a watch function and worn as watches are permissible. As parents will understand, a line must be drawn somewhere with what students may wear or not wear. So Fitbits per se (ie those without a watch function) may not be worn. This is similar to the other rulings we have made for various other types of bands, bracelets, etc.

- **Sports Shoes** – Last year, acknowledging the difficulty of finding suitable sports shoes, we relaxed the regulations for their colour from predominantly white to **predominantly white, grey or black**. Additionally, skate shoes, ankle boot styles and soft canvass shoe styles are not suitable for sporting a activities. This information was published in our newsletter and also in the parent handbook distributed last year. I have noticed significant numbers of students wearing non-regulation sporting shoes. I am requesting that parents, who may have purchased these shoes in good faith, remedy this situation by the start of term 2. We will be following through on this one from the start of term 2.

Thank you, in anticipation of your support.

**Barry Krueger**
From the Primary School
Big Write and VCOP
One of the improvement targets for the College is “to further improve and develop writing”. In order to do this we have started a project called “Big Write and VCOP”. Last Friday our Primary School classroom teachers and Integration Aides along with some Secondary staff met with St John’s staff for a whole day of Big Write and VCOP Training.

Big Write and VCOP is a goal based program that is based on the premise, “if they can’t say it, they can’t write it.” It was developed in 2004 by Ros Wilson in the United Kingdom and has been adapted to the Australian Curriculum by Samantha Taylor and Wendy Alder. It uses continuous formative assessment through the use of the Australian Criterion Scale, as well as a Student Friendly Scale, both of which have been developed in line with the Australian Curriculum. It empowers the students to assess their own progress, set their own goals and thus form ownership in their learning journey. It also gives them a deep understanding of the skills required at each level in order to continue to improve and achieve high level texts.

This approach is highly effective for the teaching of writing from Prep to Year 12 and has been found to have an immediate impact on writing standards. The approach has also been found to be a huge motivator for boys.

As we progress with introducing the project we will let you know how you can assist us at home.

Stephanie Alexander Kitchen Garden Project
Thank you to all the parents who helped keep our garden growing over the holidays. We hope you enjoyed some of the produce too! Thanks to whoever it was who completed the fencing. Please look out for further information from the Year 3 and 4 teachers about the Kitchen and Garden this year. We welcome previous helpers again as well as newcomers.

During the holidays we received notification that Villawood Properties will sponsor the project with another $2000. This will be go towards increasing the size of the garden during the year.

Positive Partnerships Workshop
Parents of students on the autism spectrum may be interested in attending a one day Positive Partnerships workshop. Like all school-age students, children with autism spectrum disorder benefit from strong, positive relationships between the home and school. Positive Partnerships uses evidence based materials and practical resources to help support these relationships by facilitating workshops for parents and carers. The workshop is being held at the Alex Popescu North End, Reg Hickey Stand, Simonds Stadium, Kardinia Park, Geelong VIC 3220 on Tuesday 17th February from 9am to 4:30 pm. For more information and registrations please visit www.positivepartnerships.com.au

Jane Hollett
Primary School Coordinator

From The Music Desk ...
Week 1: Thursday, February 5
Just a reminder to Primary students from Years 3 to 6 that our first Choir rehearsal is this Thursday in the Hall from 12:05pm until 12:50pm.

Week 2: Tuesday, February 10
During Morning Recess, there will be a meeting on Tuesday for those MS/SS students who are interested in making music - instrumental or vocal, and Performance Choir. Prep - 2 Choir rehearsal at Primary lunchtimes in the Hall.

Week 3: Thursday, February 19
8am Performance Choir rehearsal in G1, and subsequent Thursday mornings.

Thank you again to all who took part in Carols By The Sea. We look forward to another great year of music making, and seeing all interested students at the rehearsal times listed above.

Lego Wanted

Donations Please

We are aiming to begin a lunchtime Lego club in 2015. This will be open to all Primary School students at various times throughout the week.

To help in the initial set up, we are seeking donations of authentic Lego collections that are no longer required by our school families. Brick collections as well as whole kits are welcome. If you have something to donate, please leave it at the College office in a clearly marked container.

If you have any questions, please contact Mrs Kate Hill via email - kate.hill@glc.vic.edu.au
Middle School Matters
MIDDLE & SENIOR SCHOOL MATHEMATICS
Just to let students and parents know that there has been an unfortunate delay in the delivery of the Calculators (ordered online through Haines) to our College. We have been informed by the supplier that the CAS Graphic Calculator Ti-Nspire CX CAS should arrive this week and the Scientific Calculator Ti 30X-11B will arrive in about one month’s time. We apologise for any inconvenience this has caused.

Andrea Somerville

Welcome to YEAR 7!
The Year 7 students arrived early to school on Monday morning eager to start their Secondary schooling journey. They spent quality time getting to know their Homegroup Teachers and their new class mates. The students were excited to be allocated their lockers and some students relieved to empty their bags! As part of the Peer Support Program the Year 7 students were visited by the Year 10s where the experienced students helped the younger ones practise locking and unlocking their new combination locks. Students received their Semester 1 timetables and a copy was given to them to keep at home. They received their School Diary where there is much information worthy of being familiar with.

Transition from Primary to Secondary school is certainly underway and we are very excited by the positive start the Year 7s have had in their first few days of this higher education experience.

Parents are invited to the Year 7 Parent Information Evening next Thursday 12th February from 7-8pm in the Multi-purpose Hall. Students are most welcome too.

YEAR 8 and 9
The Year 8 and 9 students spent their first day of term getting to know their new class mates and Homegroup Teachers. They reflected on their 2014 schooling in order to set learning goals for 2015. The students brainstormed how these goals will be measured. Towards the end of the term, students will spend time evaluating their achievement and how successfully they met their goals. Year 9 students have experienced their first taste of elective subjects. They enjoyed the first lesson/s and from what they have said, look forward to meeting the challenges these electives present.

It has been wonderful to observe the hype of enthusiasm that has characterised the start of Term 1 2015. We are looking forward to walking the journey with our Middle School students!

All Year 9 parents are invited to a ‘Parent Information’ evening in the Multipurpose Hall on Tuesday 24th February at 7pm. The purpose of the meeting is to outline our Year 9 City CITE program which will in Term 2. A letter detailing the Term 2 program will be given to students shortly to take home to parents.

Opening Service
It was a privilege to participate in the Installation Service on Monday where the MS Captains were installed into their leadership roles. It is a wonderful opportunity for all these students to lead by example in the Middle School. Students will attend the first Student Forum meeting in the coming week and I look forward to working alongside the Captains to continue building and maintaining a healthy culture here at GLC. The nomination process for Student Forum Representatives for each class group will get underway shortly and I look forward to more students stepping up into leadership roles.

Georgia Quirk
MS Coordinator
From the Senior School
As staff, we were really excited to hear of the fantastic results from our Year 12 students from 2014, detailed by Mr Krueger in his Head of School report on the front page. It was such a privilege to journey with these students over their time at GLC and exciting to hear of their plans for 2015 and beyond. It seems quite strange to start the year without them.

2015
As we enter 2015, we do so with a growth in numbers in the Senior School from S4 to 79, as another double stream of students in Year 10 join us.

VCE and VCAL continue as the two streams on offer to our Year 11 and 12 students with 24 students heading off-campus to VET courses on a Wednesday afternoon.

VCE subjects on offer in 2015 are: English, Maths Methods, Further Mathematics, Chemistry, Systems Engineering, Psychology, Physical Education, Information Technology, German, Outdoor and Environmental Studies, Biology, Physics, History, Food Technology, Systems Engineering, Health and Human Development, Environmental Science, Studio Arts & Media. Legal Studies is a new addition to our subjects this year; a subject that more than half of our Year 11 cohort have selected. This is taught by Mrs Laura Harwood.

INFORMATION EVENINGS
  Tuesday 10th February: 7.00-8.00pm
  Starting Year 11 for both VCE and VCAL students – Multipurpose Hall
Year 11 serves as a significant jump in academic requirements from Year 10 and it is important that students attend this with at least one of their parents.

  Wednesday 11th February: 7.00-8.30pm
  Starting School Information Evening (Year 10 students): Multipurpose Hall
A great deal of information is provided on this evening and is it imperative that students attend with at least one of their parents. The evening covers:
  ⇒ Senior School policies and procedures, which differ somewhat from Middle School.
  ⇒ Work Experience program
Students in the relevant year levels have received notes about two important upcoming information sessions outlined above.

YEAR 12 MELBOURNE UNIVERSITY EXPERIENCE – OVERNIGHT
On February 19th and 20th, the Year 12s will head off to Melbourne. This overnight stay aims to provide students with experiences related to attendance at universities and living outside their local area. Students will visit Victoria University and University of Melbourne, as well as one of the residential colleges in the university area. They will gain important insights on how institutions differ in their structure and culture. Navigating their way around the city using the train, tram and buses and engaging in social activities and conversation will be a great opportunity to relax and enjoy the company of those with whom they will share the Year 12 journey.

START OF THE YEAR
The first day of the school year was an alternative program for our Senior School students. Students spent the first lesson with their year levels. After some opportunity to connect with their peers after the holidays, they discussed expectations of the year. Our Opening Service was held in the morning where we installed our new staff as well as our student leaders for 2015.

The remainder of the day was spent in Homegroup classes. In Senior School, the Homegroups are vertical groupings of Year 10-12 students based on House. During this time, students sorted lockers, timetables and unpacked the three key words determined last year Wisdom, Honour and Purpose. Time was spent in personal reflection of dreams for the future and transferring these to the development of measurable goals.

As a staff team, we are all looking forward to what 2015 has in store for all of our students and the College as a whole!

Sharlene Tattersall
Senior School Coordinator
Head of St John’s Lutheran School

What excitement a new school year brings to our School Community. We welcome all returning students and their families and our dedicated and refreshed staff. We would also like to welcome all our new families to the St John’s Community and we are very excited about having you as part of our School and Kindergarten. Thanks to our diligent and enthusiastic Parents and Friends for generously providing our annual ‘Welcome morning tea.’ It was pleasing to see the new parents conversing with those already established in our School Community. The topic of one these conversations mentioned ‘that feeling of community’ and knowing that this is the right place for their children’s education.

Welcome to our new staff for the commencement of the school year: Alison Woollard (Reception), Debbie Howard (Music) and Joanne Sizeland (Wednesday Kindergarten). As many of you may already know, our St John’s Church and School Pastor Mark Blackwell, has accepted a ‘call’ to Concordia College in Toowoomba, Queensland. We have been blessed to have Pastor Mark, Natalie (Kindergarten Team Educational Leader), Joshua (Year 4) and Keziah (Year 3) as part of our Church, School and Kindergarten communities. The Blackwells will be leaving later this term.

It has been pleasing to see most or our students in their new and updated uniforms. As the two year lead in transition time has concluded it is expected that all students comply. I realise there are still students waiting on some items.

There are some important dates to be added into your diaries so please read the newsletter carefully. Please note, if you are wanting to assist in the Kindergarten and School, you are required to have a Working With Children Card and complete the Valuing Safe Communities (VSC) training. This lasts for 3 years. The VSC training dates are also included in this newsletter.

Our Principal, Mr Gary Jewson in an address to the combined staff of St John’s and Geelong Lutheran College, mentioned that there is good evidence to suggest that students in a school achieve higher standards when there are two things in place: 1. when the team works together well, gets on well, trusts each other, challenges each other to be better; and 2. when the team places high expectations on each other and then on the students to achieve well in every task and in every lesson. Situations where School Leaders, teachers, staff, parents and students in our community share these beliefs, expectations are raised and students perform beyond the limits enacted by the rationing of excellence. My vision and expectation for this year and every year is for us all to strive to go to ‘infinity and beyond.’

“Nobody rises to low expectations.” Calvin Lloyd

God’s blessings to all as we begin this 2015 school year.

Brian Schultz

---

Extend OSHC at Geelong Lutheran College

Welcome back! It’s a brand new year full of exciting adventures and entertainment! This term we are focusing on the community and all the different groups which make it so interesting. If you have any brochures from local extra-curricular activities or sporting groups please feel free to add them to our community board.

**New Families – Enrol in After School Care**

Enrol online – allow 24 hours. Enrolling is quick and easy! Simply set up your own account online via the Parent Portal. Please note it is government regulation that all children must be enrolled BEFORE attending an Extend service. For information on operating hours and fees for your school, visit your After School Care venue or school website.

Enrol now, pay later. The annual enrolment fee per family of $20 is NOT payable until you first use the service. So why not enrol now so you can access the service later? It doesn’t matter if you don’t end up using the service, because you won’t be charged.

**Watch this space throughout the term for regular updates from our Extend team!**

**PARENT PORTAL:** extend.com.au

**Next week’s activities**

- **Monday 9 February:** Dreamcatchers & Straw Planes
- **Tuesday 10 February:** Lunchbox Treats & Tippety Cricket
- **Wednesday 11 February:** Dancing Divas & Exploding Bags
- **Thursday 12 February:** Painting Pinecones & Shadow Tag
- **Friday 13 February:** Magazine Beads & Barefoot Bowling
## Checklist for Parents

| **Does your child have an up to date Asthma Action Plan (Asthma Care Plan)?** | The Asthma Care/Action Plan tells the school how to manage your child’s asthma and what to do if their asthma gets worse. This should be updated & signed by the doctor on an annual basis. |
| **Does your child carry their reliever puffer and spacer with them at all times? Or is it readily available to their Carers?** | Medication needs to be available wherever your child may be (school, child care, sporting field, home). |
| **Are you and your child aware of their asthma triggers?** | Do you take steps to avoid these triggers? Are the Teachers aware of these triggers? |
| **Do you listen to what your child says?** | They will be aware of their asthma symptoms and should be able to tell you when they need their medication. |
| **Does your child take their asthma medication correctly?** | Good technique allows more medication to get into the lungs where it is needed. Talk to your doctor or pharmacist if you would like to check your device technique. |

Information courtesy of Asthma Foundation Victoria
