### **Second Year of Funded Four-year old Kindergarten**

A second year of funded four-year old kindergarten may be considered when a child shows delays in key outcomes of learning and development.

There are guidelines that early childhood teachers will follow to assess your child's eligibility for a second year of kindergarten. These guidelines help the teacher identify your child's needs and goals.

The learning and development areas assessed by early childhood teachers include:

- identity – the child's sense of identity
- community – the child's connection with and contribution to their world
- wellbeing – the child's sense of wellbeing
- learning – the child's confidence and involvement in learning
- communication – the child's communication
- other factors may also be considered.

If you have concerns about your child and feel that a second year of funded four-year old Kindergarten may be needed, please talk to our Kindergarten team.
